BRIEF ABSTRACT OF LETTER.

*Submits a draft proclamation proposing to

under the Mysore Municipal Regn. VII of 1906*

NOTES AND ORDERS

*Maddur was a minor Municipality till 30.6.01
after which it was converted into a Union
as its population was only 2597 ^{according to} the
Census of 1901. The Dy Commr now reports
that the population of Maddur is 3053.*

14 From the Deputy Commr Mysore Dist. No. 31985-12-08 Submits a revised draft proclamation and sketch and states that Chamanahalli is not proposed to be included with the ^{as stated in his original letter} Munaf limits but that the village of Bangalore Channarayana Daddi has been proposed to be included with the Munaf limits.

6 At present Maddur is a Munsion and its population according to the census of 1901, is 2,597. ~~Present~~ But the Dy. Commr says that the population of Maddur is 3058.

7 Under standing (standing) orders only such of the Munsion places as have a population of 5,000 and over are ~~to be~~ considered fit to be constituted into Munsions under the new Munaf Regulation and the non-regulation Munsions are to continue as such till it is decided whether they should be converted into Munsions or constituted into Munsions under the Regs.

The Dy. Commr however requests that as Maddur is an important centre, it ~~is~~ as a special case, be constituted into a Munaf just as it was done in the case

From the Dy Commr. Mysore. N^o 3873 ~~Sub-09~~.

States that it is necessary to include Bangalore Channarayana Dodde within the municipal limits of Maddur town to prevent the smuggling of dutiable goods thereto, that as the town is rising in importance owing to its sericultural industry and as an extension has already sprung up, ^{of the town} it is desirable to include some extent of agricultural land within the municipal limits and should ~~the~~ Govt decide it otherwise, a revised proclamation would be submitted for orders.

Also to the advantage of ^{the} including within the limits of the municipality a lot of agricultural land is not apparent - Channarayana Dodde is more than a mile distant from Maddur village but yet the President considers it desirable to include it within municipal area - The President may be requested to revise the proclamation so as to include only the town of Maddur and the suburbs of Shivapur and Channarayana Dodde and ~~and~~ the roads ~~and~~ and

Dated 21st December 1908, regarding the draft
proclamation and sketch in regard to the Constitution
of Maddur into a Municipality, with certain observations
thereon I have the honour to state that the inclusion
of Bangalore - Channarayana Dossu within the Municipal
limits is thought contrary to Section 7 (1) (b) of the Municipal
Regulation being more than a mile distant from Maddur
Town is reported to be quite necessary as it would otherwise
give room for smugglers to deposit substandard articles
in this hamlet and then smuggle into the Town.

10

Maddur is growing in importance owing to its
Sericultural industry and its situation on
the road between Mysore and Bangalore. Its
extension has already grown on the eastern side
of the town and it bids fair to further expand
owing to the unhealthiness and water-logged
condition of the old town proper. Therefore
certain extent of agricultural land is
proposed to be included within the Muni-
cipal limits. This inclusion will to some
extent prevent encroachment of undesirable
when any sheds or temporary dwellings are
got up there.

If however Government deem it undesirable
to include agricultural lands within the
limits of the municipality, the Agricultural
proposes that the town of Maddur the village
of Sivapur and the hamlet of Bangalore - Ch. and
Doddur only and together with the roads and
foot-tracks between them, may alone be
